August, 2009

Let me welcome you to Matthews Alive 2009! This event promises to be better than ever!

Bring your family, friends and neighbors to downtown Matthews and enjoy great family activities – rides, entertainment, arts and crafts, and food. Discover the joys of a truly American small-town event on the Labor Day weekend.

Matthews Alive! is operated by a volunteer board of directors who put in hundreds of hours each year. We are so thankful for the financial and in-kind support of our sponsors. Essential for success are all of the volunteers from the non-profit organizations who work during the festival. When the festival is over we pay the bills and the non-profit organizations receive their share of the funds left over.

Come out and join us for fun, food and fellowship. Come up and introduce yourself as I would like to meet and welcome you in person.

Sincerely,

Mayor R. Lee Myers
